(the “*Amici*”) respectfully submit U.S. Dep’t. of Justice, Office of the Inspector General, 21-028, *Review of the Department of Justice’s Planning and Implementation of Its Zero Tolerance Policy and Its Coordination with the Departments of Homeland Security and Health and Human Services* (2021) (attached as **Exhibit A**) in support of their Amicus Brief in support of the Plaintiffs’ Response to the Motion to Dismiss.

The Office of the Inspector General (“OIG”) released the report attached as Exhibit A on January 14, 2021. In brief, the internal Report establishes the development of a high-level policy of zero tolerance, and that the Office of the Attorney General (“OAG”) had “primary responsibility” for the development of the zero tolerance policy and was the “driving force” in the DHS decision to begin referring family unit adults for prosecution, despite knowing that this would result in children being separated from families. Ex. A, at 69.

The *Amici* believe that the internal report published by the Department of

Justice will be helpful to the resolution of the underlying case and submits it as additional authority for the consideration of the Court.

Respectfully submitted,

By: /s/ Harrison J. Frahn IV
